

# ABOUT CAMP

## A tradition since 1916!

YMCA Camp Jackson provides opportunities for people of all ages to experience the great outdoors, learn new skills, make friends and grow spiritually, mentally and physically. Camp Jackson serves thousands annually through youth camps, weekend retreats, outdoor education, leadership camps and team building camps.

## OUR PLEDGE

All kids deserve the opportunity to discover who they are and what they can achieve. Let us plan and run a two-night experience for your school group and we guarantee you will notice the difference in your group dynamics!

## Adventure Awaits!

We have been working with school groups for years, combining a mixture of lessons, teambuilding and other activities. Our lessons are designed to meet many of the **Colorado Model Content Standards**. Our focus areas are science and geography. Contact us for specific standards information!

## TEAMBUILDING & LEADERSHIP

### 7 Leadership Traits

1. Builds a vision or shared vision.
2. Builds models – try it, change it, try it again.
3. Builds effective relationships
4. Utilizes and develops people's strengths and abilities.
5. Recognizes that Followship and leadership are equally important.
6. Is action-oriented and decisive.
7. Appreciates and celebrates accomplishments.

### Low Ropes & Initiatives

An extensive course with over 30 elements! All of the elements are designed to help students problem-solve in a group, focusing on interpersonal skills, leadership and communication.

### High Ropes

Our high ropes course is designed to develop teamwork and trust. Requires 6-12 participants for the ultimate team experience. Typically paired with low ropes.

#### Elements:

- **Leap of Faith:** jump + catch a trapeze bar at 30 feet.
- **Wild Woozy:** work as a pair to cross a high traverse.
- **Team Play:** balance against a partner to cross.
- **Crate Stack:** work as a team to build a 30-foot tower!
- **Giants Ladder:** work as a pair to climb our ladder.
- **High Zipline:** zip 120 feet across the field!
- **Rappelling Station:** rappel 30 feet to the ground.
