# After School Care

**Ages 5-12**

We partner with you to nurture your child’s healthy development. Our staff provides safe, affordable, high-quality care. We give kids the encouragement they need to take initiative and tools that help improve school performance and behavior. We instill a sense of self-confidence, self-esteem and a healthy dose of happiness. We offer After School Care Monday-Thursday, immediately following school dismissal, until 6:00pm. Times may vary due to individual school schedule or district. Snow days are covered by tuition.

**The Y is proud to offer convenient and affordable School-Age Programs!**
