MEN PLAY FROM WHITE TEES AND WOMEN PLAY FROM THE RED.

Scramble Format

On every hole, each member of the team may hit a tee shot. The team then selects one of the tee shots from which to play. All members of the team may then hit from that position. This procedure is repeated until the ball is holed.

Two Tee Shots

Each team member's tee shot must be used at least two (2) times per eighteen (18) hole round.

Selected Shot

Each team member may place his/her ball within one club-length of the selected shot, but no nearer to the hole. If the shot selected is played from a hazard, bunker, primary rough, secondary rough, fairway, or fringe of the green, the ball must be played from within one club length of the shot selected, but no nearer the hole, and must remain in the hazard, bunker, primary rough, secondary rough, fairway, or fringe of the green.

Scoring

Scoring for the round is on the honor system for each team and all play should follow USGA rules. If there is ever a question as to how a shot should be played, the team should play the shot both ways and record both scores until further clarification can be given.
